

NAEYC Accreditation Support Group

Come meet others undertaking the NAEYC accreditation process! Learning and working together with colleagues on the new NAEYC accreditation system can help programs successfully navigate the process. This support group will meet regularly 4 to 5 times during the 2008-2009 school year, at a location determined by the group, to provide guidance and collegial support to programs seeking to move through the NAEYC accreditation process. Group participants are strongly encouraged to attend the NAEYC Accreditation overview session offered through SERC (see booklet page for information) or similar workshop offered locally or nationally.

Participants in this professional development activity will:

- discuss the steps of the NAEYC accreditation process;
- explore the development of timelines to complete the four-step accreditation process;
- review program and classroom portfolio development strategies to ensure the development of complete and consistent portfolio content across classrooms; and
- examine the details of applying for NAEYC candidacy, including the Program Self-Assessment Report and the collaborative process used to complete the materials.

Please note:

Additional support groups will be held throughout the year. Participants are encouraged to attend all meetings, although will not be prevented from participating if they cannot commit to all dates. Details will be available at the first support group session.

Date, Time, Location:

Tuesday, October 21, 2008
1:30 p.m. to 3:30 p.m.
SERC Library Community Room,
Middletown
